

**1 camping under the stars**

In love with each other and the Great Outdoors? Even the most sumptuous suite can't compete with the natural decor at these romantic campsites. At Idaho's Craters of the Moon National Monument, 49 miles from Twin Falls, you can pitch your tent on the volcanic shore of a now-dormant lava river; call (208) 527-3257 for details. Or stay in a cozy wood-floored teepee in the Black Hills of South Dakota at the Roost Resort Campground. Nearby sights include Custer National Park, with one of the world's largest free-roaming bison herds (about 1,400 animals) and fabulous Mt. Rushmore National Monument. Call (605) 673-2326 for more information.
